

Enhance your success in the classroom with 20 NEW online continuing education courses.

MSTA is proud to announce a partnership with Teachscape, a leader in professional development for K – 12 educators. Teachscape-developed online courses are available to MSTA members from NCA accredited Marygrove College through their Continuing Education Department. Each course earns 3 semester hours of graduate credit. Marygrove College is accredited by the Higher Learning Commission of the North Central Association (HLC – NCA*) and is approved by the Michigan State Department of Education.

Tuition is \$450 for each course, which includes all materials.

However, all MSTA members receive a \$50 discount off each course.

The online courses include:

- EDU 568TCH Teacher as Leader, K – 12
- EDU 570TCH Instructional Design, K – 12
- EDU 569TCH Understanding Teaching & Learning, K – 12

How the online courses work...

- Courses are self-paced. After you sign up, you can begin your coursework immediately.
- Access the course from any computer with internet access.
- View online videos of expert commentaries and classroom demonstrations.
- Although you complete the course as an individual, you will be asked to collaborate and problem-solve with colleagues (who do not need to be registered for the course).
- Apply concepts and skills immediately to your classroom practice.
- Complete the course in as few as 7 weeks or take as long as one year.
- Submit all of your assignments online for grading.
